Here you can set any program property. If you click on an option, mostly an explanation is displayed on the bottom.

sub tab user interface:

The screenshot shows the 'freescoreboard' application interface. At the top, there are tabs: Control Display, Teams, Tournaments, Set Display, Options, Network, Tools, and Debug. Below these, there are sub-tabs: Timer, Time Sounds, Pictures, Sounds, Match, Other, User Interface, Table Sort, Penalties, and Timer Events. The 'Match' sub-tab is selected.

On the left, under 'not assigned controls', there is a list with 'Control' and 'American Football' (highlighted in blue). Below this list are 'add >>' and '<< remove' buttons.

On the right, there are three panels showing assigned controls:

- Panel1 assigned controls:**

Sort	Kontrol
0	Tournament Controller
1	Game Timer
2	Match Controller
3	Foul Counter
- Panel2 assigned controls:**

Sort	Kontrol
0	Marquee
1	Player
3	Seconds Timer
4	Preview
- Panel3 assigned controls:**

Sort	Kontrol
0	Darts
1	Penalty Controller
2	free Timer

Each panel has 'add >>' and '<< remove' buttons, and up/down arrow buttons to the right.

Here you can arrange the controls on the tab control display sub tab match. By doing this you can set your individual and lean user interface.

Sub tab „Table Sort“:

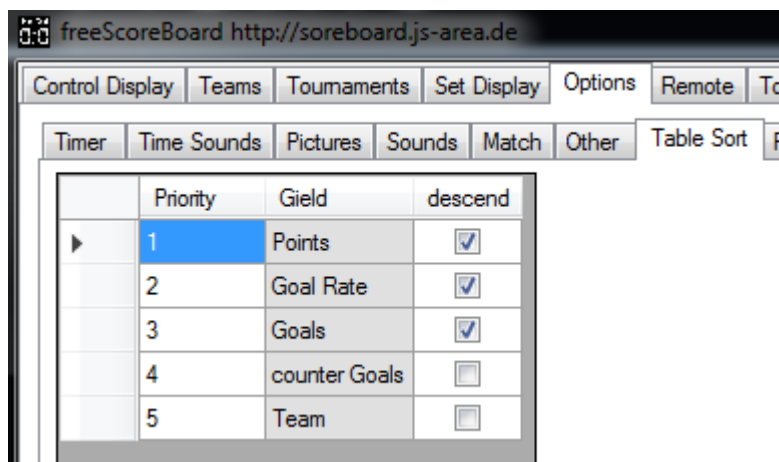

The screenshot shows the 'freescoreboard' application interface with the 'Table Sort' sub-tab selected. The 'Match' sub-tab is also visible. The 'Table Sort' sub-tab displays a table with the following data:

	Priority	Gield	descend
▶	1	Points	☒
	2	Goal Rate	☒
	3	Goals	☒
	4	counter Goals	☐
	5	Team	☐

Here you can define how the ranking is sorted. You siply can change the priority and sorting order.

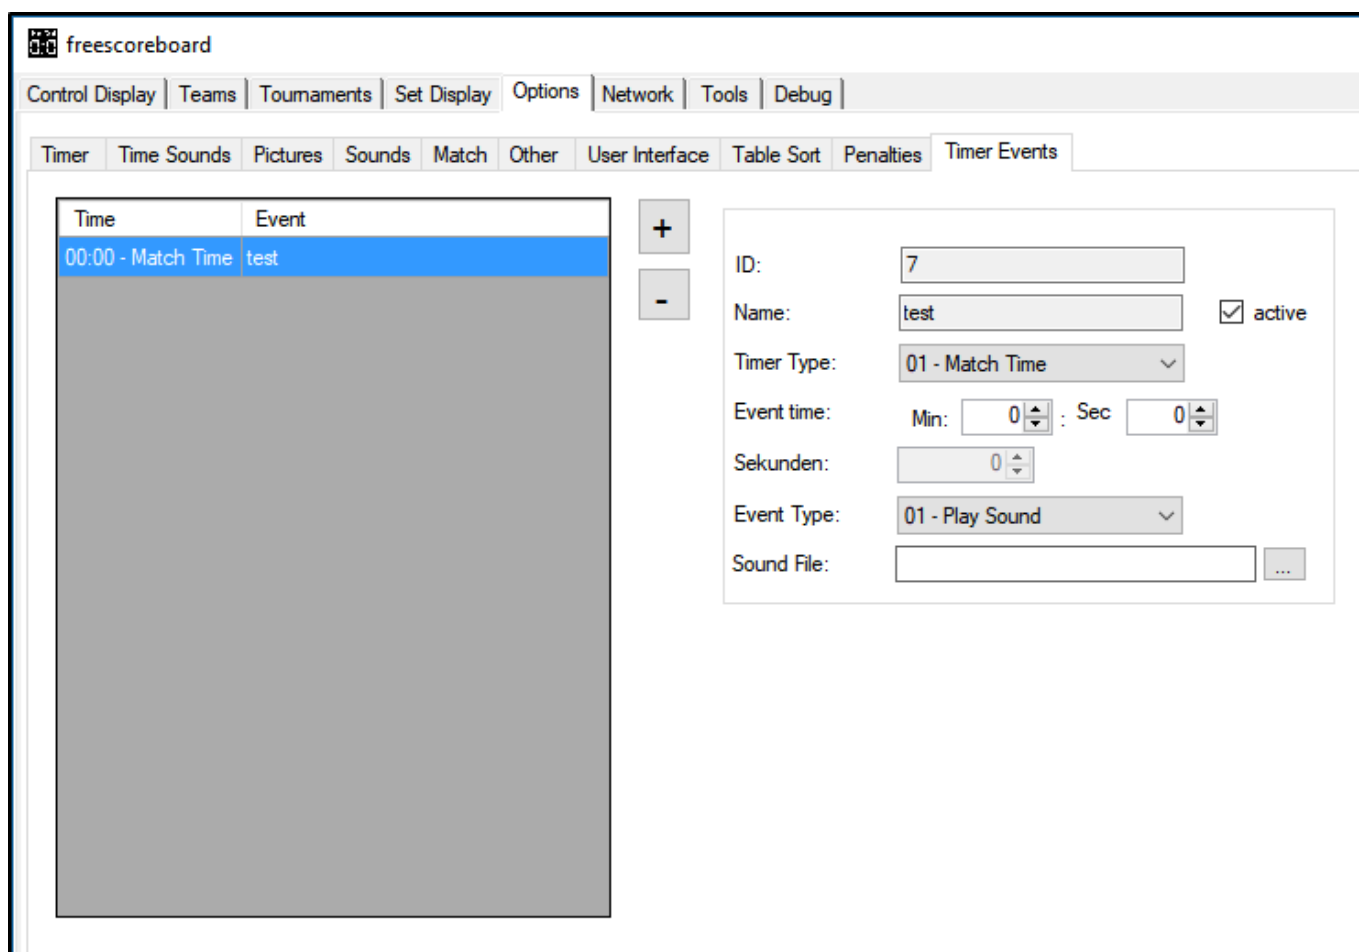

(what is not descending is ascending)

Sub tab „Penalties“:

Here you can manage penalties and time penalties.

Sub tab „Timer Events“:

In addition to the to the events on the tab timers and timer sounds you can setup additional timer events here.
